

# PORTABLE SOLAR ENERGIZER FEATURES

## 3 Year Warranty

We stand behind the reliability of our products. Visit [speedrite.com](http://speedrite.com) for full warranty details.

## Steel and wood post mounting options

High impact enclosure is designed to securely mount on Y-posts and wood posts. Easy access to battery while mounted on post.

## Requires minimal sunlight

Energizer requires minimal sunlight hours to keep battery at, or near, full charge.

## Rechargeable internal battery

Rechargeable internal sealed battery included.

## Battery recharge

Energizer intelligently manages battery recharging during fine weather.

## High output voltage

Intelligent output up to 9,500 V with no load.

## Rugged design

UV resistant case provides maximum weather protection for extreme environments.

## Battery saver

Microprocessor technology automatically adjusts the output energy depending on the battery condition. This feature is designed to extend battery life.

## Indicator light

Located on the front of energizer, indicates the solar energizer is operating.
